Back to School Night Updates

Dear Parents and Students:

Welcome to the 2020-2021 school year at Littleton Elementary School! **Virtual Back to School Night is scheduled for the evening of Wednesday, September 30, 2020.** This is a wonderful opportunity for teachers to showcase and give an overview of their program.

Our mission, in partnership with the staff and the community, is to nurture life-long learners academically, technologically, culturally, and socially to function as productive world citizens. The behavior goals for the elementary schools in the Parsippany-Troy Hills School District are “SOS”—I show respect for my **Self/Others/and my School**. Building objectives in academic areas will continue to focus on **Highest Student Achievement** in Language Arts Literacy and Mathematics for all students.

Back-to-School is a very exciting time for everyone! There is a lot to learn and much to achieve this year. Our students and teachers are eager to get started. The positive energy is evident throughout the building. Please reference the following updates:
