

# Littleton School PTA

On behalf of the PTA Executive Board, we want to thank all of our Staff and Families for your support and patience in kicking off our 2020-2021 school year here at Littleton. In what has to be one of the most unusual school years in history, we are so proud of how our Students, Parents and Staff have stepped up with positivity and continue to roll with the chaos and confusion that this school year brings. Let us give a HUGE SHOUT OUT TO OUR UNSUNG SUPERHEROES, OUR TEACHERS! Thank you for giving our children the opportunity to learn in school or at home and providing an environment for them to feel safe. We are so appreciative of everyone's efforts and will continue to do what we can as a PTA to support and provide for our students and faculty.

## THINGS WE PROVIDE:

- Field trips
